

## Cleaning Business Gold Coast

This is an outstanding opportunity to acquire a highly desirable existing territory within the successful HydroKleen network.

Along with the Franchisor head office being within the territory itself, the current Franchisee has established a fantastic list of customers all of which are fully documented on the easy to use Franchisor administration & CRM system. A new owner will have the best support and access to all the previous files as well as the Franchisor support.

Currently the Franchisee operates with return and referral business as well as Franchisor initiated leads. As such the territory is running one fully equipped branded vehicle. A full secondary equipment set up is included in this sale and a motivated new Franchisee could begin actively chasing sales to establish another vehicle or trailer with a staff member. (This could also see this business eligible for Visa requirements)

A great lifestyle opportunity to live on the Gold Coast as your own boss and provide a great income for yourself and family.

To be able to buy this business buyers will need to meet the Franchisor requirements through and application process and training if successful. This process follows the regulated requirements supported by the Franchise Council Of Australia ensuring peace of mind for buyers with regulated cooling off periods.
